

The last two weeks have been exciting for the McCutcheon Trap team.

June 9th the team competed in the SCTP (Scholastic Clay Target Program) State Championships at Indiana Gun Club near Fishers. After a long, hot and stormy day the team produced two individual SCTP State champions and an overall good shoot for the team. Riley Winstead won the individual overall high score in the girls division and her sister Jaidyn was runner up. Jaidyn also won her individual division. Aiden Grimes tied a few other shooters for champion of his division but was knocked out in the shoot-out round. Riley is on the right and Jaidyn in on the left. Way to go Lady Mavs!

June 16th the team traveled to St. Joe Gun club north of Fort Wayne to defend their State title from last year. They were successful as they hit 451 out of 500 targets easily surpassing last year's total. Also, Thomas Snyder placed 3rd and Aiden Grimes was 4th. Garson Matney tied for fifth but lost out in the tie breaker.

Left to Right: Jerimiah Andrews, Aiden Grimes (4th), Garson Matney (tied for 5th), Joel Montes, Coach Montes, Garrett Konopa, Thomas Snyder (3rd), Allen Blanchard, Brad Blanchard. They broke 451 out of 500 targets winning the championship by 51 targets.

Some of the kids will be competing in the AIM state meet the 17th of July. Shoot Well MAVS.

We want to thank all those that have given so much support this year: McCutcheon, Linden Conservation Club where we practice each week, Friends of NRA for shells, Pheasants Forever for registration fees and so much more, SCTP (Scholastic Clay Target Program, IYSSF (Indiana Youth Shooting Sports Foundation), MidWay USA and Parents!!

Good shooting MAVS.
