## NRA Basic Range Safety Officer Course

**Short Description:** Develops NRA Certified Range Safety Officers with the knowledge, skills, and attitude essential to organizing, conducting, and supervising safe shooting activities and range operations.

**More Details:** This course is nine hours long and is conducted in a classroom and at a shooting facility. Range Safety Officer candidates will learn roles and responsibilities of an RSO; Range Standard Operating Procedures (SOPs); range inspection; range rules; range briefings; emergency procedures; and firearm stoppages and malfunctions. Each Range Safety Officer Candidate will receive an RSO Student Study Guide, a Basic Firearm Training Program brochure, an NRA Gun Safety Rules brochure and a Course Evaluation form.
