

# Holiday Sporting Clay's Fun Shoot

12/07/13

We end 2013 with another successful Sporting Clay Fun Shoot at LCC! There were a total of 40 shooters that shot the course despite the cold temperatures. Ken Brauchle & Richard Pflanzler had a shoot off from their tie at the November Fun Shoot. They shot several rounds before Ken ended up taking the lead and winning. Congrats to all winners today! Shooters traveled from Indianapolis, Terre Haute, and Kokomo to join in on the fun today. It was a good time visiting with everyone and everyone is a "friend" of LCC. Thank you to all for showing your support today and throughout the year at our club.

Merry Christmas to you and your families. We hope all of you join us in 2014 for more fun at our club fun shoot events. A special thank you to all that helped with the event as it couldn't be done without you!
