

# Halloween Sporting Clay's Fun Shoot 10/25/14

Our first Halloween Shoot was a big success! We had beautiful calm weather! While we waited for dusk we had a friendly competition with two shooters shooting 25 targets consecutively our "Wobble Fun". Plus everyone enjoyed visiting with other members, shooters and friends while we watched the last little bit of the sun to go down. We turned on our big overhead lights and the trap machines were loaded with Pink, Lime Green, White, and Orange targets to be seen in the dark. Plus there was black "Fun Targets" for prizes. Only a few shooters dressed up - a queen, monster, avid hunter, and lab tech! Thanks to the ladies for making the party festive with decorations and snacks! Thanks to everyone that helped with set up, pulling, scoring, preparing snacks, and clean up! It takes a lot to put on an event and we have a great group of people! Congrats to all winners!
