

Sporting Clay's Fun Shoot

07/20/14

It was a beautiful day and we enjoyed little or no wind. With the county fair and other activities' going on in our community it was still a good day at LCC. A big thank you to all that helped with the event and participated in it too! It was great spending time with other shooters. As always you will never go hungry at LCC with all the great food served for lunch! Congrats to all winners!
