

Sporting Clay's Fun Shoot 03/14/2015

Our first fun shoot in 2015 started out foggy and cool, but by afternoon the sun made its appearance and it was much warmer. It ended up being a nice day at LCC! Jeff Geisler changed up all the trap machines in the houses and created a great 50 bird shoot for everyone. It was a “fun” day visiting with other members, shooters, and friends while we shot in a friendly competition. We had our first lady HOA—High Overall Winner too! It takes a lot of people to put together the

event. Thank you to everyone that helped with the event from preparing food, cleaning up kitchen, working counter selling a lot of membership during our shoot, setting targets, filling machines, and clean up! Congrats to all winners!
