

Sporting Clay's Fun Shoot

05/18/2013

It was a beautiful day and we had a record turnout of shooters! The course was set up with easy targets and the pesky rabbit returned. Everyone had a good time shooting and visiting with other shooters. It is a great way to meet other members who enjoy shooting sporting clays along with learning about the sport too. Thank you to everyone that helped make the event successful as it couldn't be done without you! Congrats to all the winners in all classes!
