It was a beautiful day for a fun Shoot! The weather was a little cool in the morning, but by afternoon it was very pleasant. Plus we were blessed with calm winds! Steve Fischer set up the targets for the event and did an excellent job. He had an obstacle course for the rabbit with pallets and our favorite ramp. There were a few true pairs along with report pairs too. A total of 50 shooters made it through the course on a nice day. Several regular shooters showed up for the event along with several new shooters too. Everyone had a good time and enjoyed the company of each other. Thank you to all that helped with the event! Thanks to Denny & Cindy Taylor for preparing lunch! The best thing about coming to an event at LCC is the friendship that grows in getting to know others that enjoy sporting clays too. Congrats to all winners!
