

# Membership Responsibilities

- **Your membership covers your spouse and children under 18 years old only.** Your children over 18 are legally responsible for themselves and they must fill out a guest pass or buy their own membership.
- **Children cannot be at the club by themselves or run freely.** Your children must stay with you for their safety. Teenagers cannot be at the club by themselves unless they are 18 and a member.
- **You cannot let someone else use your key to enter the club on their own as a guest.**
- **Each membership is allowed three guest per visit.**
- **Each of guests that you bring to club you must bring to club house to fill out a guest pass/waiver BEFORE SHOOTING!** If the clubhouse is closed you will find guest passes outside in the glass display cabinet for you to use. You will also find envelopes to put the guest pass and their \$5 guest pass fee too.
- **Everyone MUST pay \$5 per box of shot shells shot on Sporting Clays!** (Big expense for club!)
- Remember we want a safe club for all!
- **Only FOUR catfish per membership per day** and guest cannot keep fish! (Another big expense for club!)
- **Everyone is responsible for their own trash!** You must leave with whatever you bring to the club or **throw it away in the dumpster** on your way out.
